### ATTENTION, UNION MEN!

Union men, and others believing in fair wages and fair conditions for the workmen, when purchasing a Hat for their own or their family's use should see to it that the Hat bears the Union Label, which is generally placed under the sweat band. There is no reason why every Union man should not have a Union Label in his hat, as Union-made Hats are carried by all the clothing stores in our city. Be sure and get the Union Label in your Hat.

We don't patronize the following brands of Hats: John B. Stearns, Oregon, Golf, Pelican, Belvidere, Empire and Rough Rider.

CALL FOR THE UNION LABEL EVERY TIME.

Cross wires on the fire alarm system caused considerable of a commotion Saturday night. At about ten o'clock the alarm sounded and instead of any box number being given, the alarm pounded away rapidly until thirteen strokes had been counted off. Then it stopped for two seconds and began again. The fire horses at the central station made the hitch but the firemen didn't know where to go, so they waited. They were kept in readiness for a time until it became certain that the alarm was due to crossed wires. In the opera house, just across the way from the fire station, there was quite a flurry for a time, the audience jumping to their feet and running to the windows. Chief Gladding and Supt. Hodgdon of the fire alarm system found the trouble yesterday forenoon and repaired it.
